OCTOBER 6th

Location: Radisson Convention Center

NORTHERN ILLINOIS RENEWABLE ENERGY SUMMIT AND EXPO

**SHOWCASING REGIONAL INNOVATIONS IN
ENERGY EFFICIENCY TECHNOLOGIES**

Ni-Expo will provide an opportunity to share ideas and case studies related to acceleration of regional growth by the demonstration of successful examples in energy efficiency applications.

Speakers and participants will share forward looking knowledge by practical like-minded industry insiders.

Also highlighted will be this region's competitive advantage in energy efficiency and how our local industries can surpass the international competition for business growth.

2016 "Leadership by Example Awards" NOW ACCEPTING NOMINATIONS

"Call for Nominations for the 2016 Northern Illinois Leadership by Example" Awards

Winnebago County Board Chairman Scott Christiansen

Winnebago County Board Chairman Scott H. Christiansen has announced that nominations are now being accepted for the 2016 Renewable Energy Awards. The deadline for nominations is September 23, 2016, and the awards will be presented at this year's Northern Illinois Renewable Energy Summit and Expo to be held on October 6th.

This year's awards are open to individuals, organizations, businesses and villages and municipalities in four categories: Chairman's Energy Conservation Award, Renewable Energy Business Innovation Award, Renewable Energy Rural Initiative Award, and Renewable Energy Urban Initiative Award.

Nomination applications which are due on September 23rd, can be accessed online at: www.Ni-Expo.com

This year's event will feature an expert panel and three keynote speakers. Attendees will learn about energy options available now, network with industry experts and local businesses already utilizing efficient energy practices, and gain a better understanding as to how renewable energy practices can be applied in the future.

Thank you to our sponsors:

Nominate Someone Today
to join past recipients who have worked to implement energy efficiency technologies and have set the standard high for others in their respective industries.
